Subject: BRRTS #02-32-587437: Request for Deadline Extension

Importance: High

Dear Mr. Rozeboom:

On behalf of the City of La Crosse, I am requesting an extension to the Department's timeframe for submitting the workplan for additional site investigation. In your June 11, 2021 notice-to-proceed letter you required submitting a work plan and schedule for additional site investigation within 30 days, which is July 11 and which falls on a Sunday. We would like an additional month in order to inform and obtain feedback and concurrence from key City stakeholders and decision-making bodies. Given the City Council meets on the evening of August 12, we request an extension to August 13, 2021.

Please call me with any question you may have.

Sincerely,

John
